The printed official records of the seventh session of the General Assembly are being published in fascicule form, that is, the record of each meeting will be issued separately as soon as possible. These will be so produced that they may be collected into volumes, by organ and session. Pagination will therefore be continuous throughout each series of fascicules representing the records of a single body. At the end of the session, a separate printed cover will be issued for each series, and a prefatory fascicule containing a title page, table of contents, list of members attending, agenda, and other prefatory material. This fascicule should be placed in front of the record of the opening meeting, before binding. For ease of recognition the fascicules of the opening and closing meetings will be clearly identified as such in the masthead.

After the close of the session, collated sets of fascicules will be placed on sale for the general public.
