Corrigendum

Paragraph 8, the fourth sentence should read as follows:

"In their view the translation into concrete results of the offers of assistance made by the agencies would greatly benefit from the establishment of arrangements such as those approved by the governing body of the ILO at its 173rd session; under those arrangements assistance to persons sponsored by the Office of the United Nations High Commissioner for Refugees or by the Organization of African Unity could under certain conditions be given by ILO upon the request of either of those organizations without the need for a separate governmental request."
