LETTER DATED 13 APRIL 1987 FROM THE PERMANENT REPRESENTATIVE OF
IRAQ TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

On instructions from my Government and in reference to our previous letters concerning the Iranian régime's bombing of purely civilian areas, the most recent of which was issued under the symbol S/18792, I have the honour to inform you that, on 7 April 1987, that régime bombed the residential districts of the Al Máqil region in the governorate of Basra, and that it also bombed the industrial area of that governorate. The enemy bombing caused a certain amount of damage to civilian property and to some dwelling houses.

I should be grateful if you would arrange to have this letter circulated as a document of the Security Council.
