Emergency assistance to the Sudan and
Operation Lifeline Sudan

The General Assembly,

Recalling its resolutions 43/8 of 18 October 1988, 43/52 of
6 December 1988, 44/12 of 24 October 1989 and 45/226 of 21 December 1990, on
assistance to the Sudan,

Noting with deep concern the continuing negative impact of persistent
natural disasters and armed conflict in the Sudan, which have resulted in the
destruction of the socio-economic infrastructure of that country and in large
numbers of displaced persons, as well as the expected serious consequences of
the most recent drought - namely, crop failures and food shortages,

Recognizing that the Sudan continues to require, as a complement to its
own efforts, strong and continued international solidarity and humanitarian
support to meet the urgent requirements for relief, rehabilitation and
reconstruction,

Noting that the food and non-food requirements of emergency assistance to
the Sudan are spelt out in the Consolidated Inter-agency Appeal for the
Special Emergency Programme for the Horn of Africa, issued in September 1991,

1. Expresses its deep gratitude and appreciation to the States and intergovernmental and non-governmental organizations that are providing assistance to the Government and the people of the Sudan in their relief, rehabilitation and reconstruction efforts, in the context of the Sudan Emergency Operation and Operation Lifeline Sudan;

2. Expresses its full appreciation to the Secretary-General and the organizations of the United Nations system for the successful coordination of an effective resource mobilization and support for the Sudan Emergency Operation and Operation Lifeline Sudan;

3. Requests the Secretary-General, in close cooperation with the Government of the Sudan, to continue to coordinate the efforts of the United Nations system to help the Sudan in its emergency, rehabilitation and reconstruction programmes, to mobilize resources for the implementation of those programmes and to keep the international community informed of the needs of that country;

4. Calls upon donor countries to contribute generously to the relief and rehabilitation requirements of displaced persons;

5. Further calls upon donor countries to respond generously to the appeal made in the Consolidated Inter-agency Appeal for the Special Emergency Programme for Horn of Africa;

6. Urges all parties involved to offer all feasible assistance, including the movement of relief supplies and personnel, to guarantee maximum success of the Sudan Emergency Operation in all parts of the country;

7. Takes note with appreciation of the report of the Secretary-General on emergency assistance to the Sudan and Operation Lifeline Sudan, ^{1/} and requests him to continue to assess the progress of evolution of the emergency situation and to report to the General Assembly at its forty-seventh session, through the Economic and Social Council, on all matters connected with the implementation of emergency and relief operations in the Sudan and to offer briefings in the appropriate forums during the intervening period.
