Dear Sir,

I am writing to express my deep support for the people of Belau. The Belauan people wish to be free and independent. The United States of America has repeatedly ignored the popular will of the people of Belau.

Please be advised that word is spreading throughout the world about this tragic state of affairs. The United States has done enough damage to Micronesia as it is. It is time for the United States to be told by the United Nations that its heavy-handed imperialist actions are unwanted in this and other parts of the world.

Yours for a free Belau,

(Signed) Gavin ROSS
