ANNEX

Statement on the situation in south Lebanon, issued at Lisbon  
on 20 February 1992 by the European Community

The Community and its member States express their grave concern about the recent worsening of the situation in south Lebanon.

In line with its recent statement on the Middle East peace process, the Community and its member States strongly reiterate their condemnation of all acts of violence in the region, whatever their origin. Such acts of violence endanger the lives of innocent civilians and those of United Nations personnel in the area and may create an obstacle to the current Middle East process. Bearing this in mind, the Community and its member States appeal to the parties involved to refrain from any military actions, to respect the sovereignty of Lebanon and the role of the United Nations forces in the southern part of that country.
