ANNEX

Statement on the appointment of the United Nations High-level  
Coordinator for Emergency Assistance

The Community and its member States welcome the decision of the Secretary-General of the United Nations to appoint Ambassador Jan Eliasson to the post of High-level Emergency Assistance Coordinator, and express their confidence that this step will contribute decisively to an early implementation of General Assembly resolution 46/182 on the strengthening of the coordination of humanitarian emergency assistance.

The Community and its member States remain deeply committed to ensuring prompt relief to victims of catastrophes and emergency situations, as well as to the effective coordination of the actions of United Nations agencies in this field. Recalling the declaration of the European Council on 29 June 1991, which stated that strengthened coordination would be carried out in Geneva, they take note with interest of the Swiss Government's proposal to make available the necessary facilities in Geneva, where most of the international organizations involved are based.
