Prince NORODOM Ranariddh, Commander-in-Chief of the Sihanoukian National Army (or ANS), and Chief of the Third Bureau of ANS General Staff, and representatives of the Khmer People National Liberation Front, met in a working session.

2. The meeting expressed its satisfaction with:

(I): The progress of the national liberation struggle as the three patriotic forces of the Coalition Government of Democratic Kampuchea (CGDK) have carried out their attacks against the Vietnamese aggressors deep inside Kampuchea especially in the vicinities of major chief towns such as Siemreap, Kompong Thom, Battambang and the capital city of Phnom Penh.

(II): The fact that the Cambodian people and the forcibly enlisted Khmer soldiers, self-defence guards and administrative agents have been increasingly and more actively participating in the national liberation struggle.

3. The meeting also expressed its satisfaction with the development of the co-operation among the three patriotic forces on the battlefield in conformity with the directives of H.R.H. Samdech NORODOM SIHANOUK, President of Democratic Kampuchea.

The meeting expressed its determination to further improve this co-operation until the Socialist Republic of Vietnam accept a political solution to the Kampuchean problem by withdrawing all its aggression forces from Kampuchea in conformity with the relevant United Nations resolutions and the CGDK's 8-point peace proposal.

4. The meeting would like to call on:

(I): The three armed forces of the CGDK to continue to increase the co-operation among themselves and their attacks against the Vietnamese aggressors,

(II): The Kampuchean people and the forcibly enlisted Khmer soldiers, self-defence guards and administrative agents to join more actively in the national liberation struggle;

(III): The countries and peoples, who cherish peace and independence in the world, to continue to support the Kampuchean people's struggle under the leadership of the CCDK having H.R.H. Samdech NORODOM SIHANOUK as President of Democratic Kampuchea, until the Socialist Republic of Vietnam accepts a political solution to the Kampuchean problem.

5. The meeting took place in a very cordial and fraternal atmosphere.
