SECRETARIAT

ST/AI/235  
8 January 1976

To: Executive and administrative officers

From: The Under-Secretary General for Administration and Management

Subject: DEATH AND DISABILITY COVERAGE FOR MEMBERS  
OF THE JOINT INSPECTION UNIT

1. Pursuant to the decision by the General Assembly at its 2442nd meeting, on the recommendation of the Fifth Committee (A/10452, para. 42 (c)), that coverage should be extended to members of the Joint Inspection Unit (JIU) in case of death or disability, this instruction establishes these entitlements for the Inspectors with effect from 16 December 1975.

2. Service-attributable death and disability

In the event of death, injury, or illness of an Inspector determined in accordance with appendix D of the United Nations Staff Rules to be attributable to service, the provisions of appendix D will apply.

3. Non-service-attributable death and disability

Benefits comparable to those which are payable in respect of participants in the United Nations Joint Staff Pension Fund under articles 34, 35, 36, 37, and 38 of its Regulations will become payable in the event an Inspector dies or becomes disabled during the period of his/her appointment. The determination that an Inspector is disabled shall be made by the Secretary-General, on the basis of a report from the medical consultant of the United Nations Joint Staff Pension Board.

4. Financial arrangements

(a) The calculation of the amount of any benefit which becomes payable under paragraph 2 above shall be made by the secretariat of the United Nations Joint Staff Pension Fund.

(b) All payments under the provisions of this instruction will be made by the United Nations Office of Financial Services and will be charged to the regular budget accounts of JIU for apportionment among the participating organizations.
