INFORMATION CIRCULAR

To: Members of delegations

From: The Under-Secretary-General for Administration and Management

Subject: UNITED NATIONS GARAGE - INCREASED PARKING RATES

1. As a result of decisions taken by the General Assembly at its thirty-eighth session, members of delegations are advised that, effective 1 January 1984, the rate for delegation intermittent night-time parking has been increased to \$2.50 per night and for 24-hour parking to \$75.00 per month.
2. The Garage Administration would like to encourage members of delegations who use the garage for regular night parking to avail themselves of the monthly arrangement in order to reduce administrative costs. Those who are interested should indicate their wishes to the Garage Administration office, room S-2137, United Nations, New York 10017 (telephone No. 754-6212). The billing will be done on a monthly basis at the flat rate of \$75.00 per month irrespective of the number of days in each month the garage is used. Members of delegations who use the garage for ad hoc night parking will be billed once a month for each day of parking.
