46/222. Financing of the United Nations Advance Mission in Cambodia and the United Nations Transitional Authority in Cambodia

A

FINANCING OF THE UNITED NATIONS TRANSITIONAL AUTHORITY IN CAMBODIA

The General Assembly,

Recalling its resolutions 46/18 of 20 November 1991 and 46/198 A of 20 December 1991,

Having considered the report of the Secretary-General on the financing of the initial phase of the implementation plan of the United Nations Transitional Authority in Cambodia¹¹ and the related report of the Advisory Committee on Administrative and Budgetary Questions,¹²

Bearing in mind Security Council resolution 717 (1991) of 16 October 1991, by which the Council established the United Nations Advance Mission in Cambodia to be emplaced immediately after the signing of the agreements on a comprehensive political settlement of the Cambodia conflict,

Bearing in mind also Security Council resolution 718 (1991) of 31 October 1991, by which the Council expressed its full support for the agreements on a comprehensive political settlement of the Cambodia conflict (Paris agreements), signed in Paris on 23 October 1991,¹³ which, *inter alia*, call for the establishment of a United Nations Transitional Authority in Cambodia,

Noting that the unusual approach of seeking a substantial appropriation in advance of the review and approval by the General Assembly of the detailed cost estimate of the Transitional Authority is prompted by the extraordinary circumstances of the tasks to be performed by the Transitional Authority and the consequent need to obtain in a timely manner the large quantities of equipment and services it will require, as reflected in the statement of the Secretary-General in his report¹¹ and the exchange of letters between the Secretary-General and the President of the Security Council reproduced therein,¹⁴ and in the statement by the representative of the Secretary-General to the Fifth Committee at its 58th meeting,¹⁵

Noting also that the plan for implementing the mandate envisaged in the Paris agreements is under preparation and is to be submitted to the Security Council at the earliest possible date,

Recognizing that the costs to prepare for the deployment of the Transitional Authority are part of the total expenses of the operation and as such are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recognizing also that, in order to meet the expenditures for the deployment of the Transitional Authority, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the necessary financial resources to enable the Secretary-General to fulfil the tasks envisaged in the Paris agreements as supported by the Security Council and the General Assembly in their respective resolutions and to prepare for the deployment of the Transitional Authority,

1. *Endorses* the observations and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions;¹²

2. *Urges* all Member States to ensure payment of their assessed contributions in full and on time;

3. *Decides* to appropriate an amount of 200 million United States dollars to meet the initial, unavoidable requirements, as indicated in the reports of the Secretary-General and of the Advisory Committee, to enable the Secretary-General to initiate the action necessary for a timely deployment of the United Nations Transitional Authority in Cambodia consistent with the eventual plan of implementation, and requests the Secretary-General to establish a special account for the Transitional Authority;

4. *Decides also* to take into account the amount of 200 million dollars appropriated above against the full assessments to be levied on Member States upon the approval of the total cost estimates of the Transitional Authority;

5. *Decides further*, as an ad hoc arrangement, to apportion the amount of 200 million dollars among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991 and 46/198 A, and taking into account the scale of assessments set out in Assembly resolution 46/221 A of 20 December 1991;

6. *Invites* voluntary contributions to the Transitional Authority in cash and in the form of services and supplies acceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure established by the General Assembly in its resolution 44/192 A of 21 December 1989;

7. *Requests* the Secretary-General to take all necessary action to ensure that resources to prepare for the deployment of the Transitional Authority are administered with a maximum of efficiency and economy, and bearing in mind paragraph 11 of the report of the Advisory Committee and the status of the Security Council actions on the Transitional Authority;

8. *Also requests* the Secretary-General to submit to the General Assembly during its forty-sixth session, through

the Advisory Committee, the full and detailed budget of the Transitional Authority.

FINANCING OF THE UNITED NATIONS ADVANCE MISSION IN CAMBODIA AND THE UNITED NATIONS TRANSITIONAL AUTHORITY IN CAMBODIA

The General Assembly,

Recalling its resolutions 46/18 of 20 November 1991, 46/198 A of 20 December 1991 and 46/198 B and 46/222 A of 14 February 1992,

Bearing in mind Security Council resolution 717 (1991) of 16 October 1991, by which the Council established the United Nations Advance Mission in Cambodia and Council resolution 728 (1992) of 8 January 1992, by which the Council approved the proposal of the Secretary-General to expand the mandate of the Advance Mission,¹⁶ especially with regard to the provision of assistance in mine clearing by Cambodians,

Bearing in mind also Security Council resolution 718 (1991) of 31 October 1991, by which the Council expressed its full support for the agreements on a comprehensive political settlement of the Cambodia conflict (Paris agreements), signed in Paris on 23 October 1991,¹³ and Council resolution 745 (1992) of 28 February 1992, by which the Council established the United Nations Transitional Authority in Cambodia in accordance with the report of the Secretary-General of 19 February 1992¹⁷ for a period not to exceed eighteen months,

Having considered the report of the Secretary-General on the financing of the Advance Mission and the Transitional Authority¹⁸ and the related report of the Advisory Committee on Administrative and Budgetary Questions,¹⁹

Noting that the budgetary estimates for the Advance Mission and the Transitional Authority as contained in the report of the Secretary-General amount to 1,721,596,700 United States dollars gross (1,699,512,600 dollars net) for the period from 1 November 1991 to 31 July 1993,

Noting also that the duration of the mandate of the Advance Mission extended from the signature of the Paris agreements until the establishment of the Transitional Authority by the Security Council, at which time the Advance Mission was absorbed into the Transitional Authority,

Recognizing that the costs of the Advance Mission and the Transitional Authority, as indicated in paragraph 7 of the report of the Secretary-General, are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recognizing also that, in order to meet the expenditures caused by the Advance Mission and the Transitional Authority, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the Advance Mission and the Transitional Authority with the necessary financial resources to enable them to fulfil their responsibilities under the relevant resolutions of the Security Council,

1. *Endorses* the observations and recommendations made by the Advisory Committee on Administrative and Budgetary Questions in its report;¹⁹

2. *Urges* all Member States to make every possible effort to ensure payment of their assessed contributions to the United Nations Advance Mission in Cambodia and the United Nations Transitional Authority in Cambodia in full and on time;

3. *Requests* the Secretary-General to consolidate the special account for the Advance Mission into the special account for the Transitional Authority;

4. *Decides*, at this stage, to appropriate, in accordance with the recommendation contained in paragraph 78 of the report of the Advisory Committee, an amount of 606 million United States dollars gross (600 million dollars net) for the operation of the Transitional Authority through 31 October 1992, in addition to the total amount of 233,576,200 dollars gross (233,171,300 dollars net) already appropriated for the Advance Mission and the Transitional Authority by the General Assembly in its resolutions 46/198 A and B and 46/222 A;

5. *Decides also*, as an ad hoc arrangement, to apportion the amount of 606 million dollars gross (600 million dollars net) among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991 and 46/198 A of 20 December 1991, and taking into account the scale of assessments for the years 1992, 1993 and 1994;⁷

6. *Requests* the Secretary-General to report to the General Assembly at its forty-seventh session on anomalies in the allocation of countries to the four groups set out in General Assembly resolution 43/232, as adjusted by the Assembly in its resolutions 44/192 B, 45/269 and 46/198 A and applied as an ad hoc arrangement to the financing of the Transitional Authority, taking into account Assembly resolution 46/206 of 20 December 1991 and other relevant resolutions of the Assembly, including resolution 3101 (XXVIII) of 11 December 1973;

7. *Decides* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 5 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of 6 million dollars approved for the Advance Mission and the Transitional Authority;

8. *Decides also* to consider the contributions of Armenia, Azerbaijan, Kazakhstan, Kyrgyzstan, the Republic of Moldova, San Marino, Tajikistan, Turkmenistan and Uzbekistan to the Advance Mission and the Transitional Authority in accordance with the rates of assessment to be

adopted for these Member States by the General Assembly at its forty-seventh session;

9. *Invites* the new Member States listed in paragraph 8 above to make advance payments against their assessed contributions to be determined;

10. *Reiterates* the need for increased use of civilian personnel provided by Governments in relevant sectors of peace-keeping operations, as called for in General Assembly resolutions 44/192 A of 21 December 1989 and 45/258 of 3 May 1991, and requests the Secretary-General to encourage the participation of such personnel in the civilian components of the Transitional Authority in accordance with the recommendations contained in paragraphs 24 and 25 of the report of the Advisory Committee;

11. *Takes note* of the views expressed by the Secretary-General in paragraph 46 of his report¹⁸ with respect to the repatriation programme to be undertaken by the Office of the United Nations High Commissioner for Refugees, and, since the implementation and integrity of the electoral process is dependent upon the prior repatriation of Cambodian refugees, calls upon Member States and others to make voluntary contributions in support of the repatriation programme;

46/233. Financing of the United Nations Protection Force

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Protection Force²⁰ and the related report of the Advisory Committee on Administrative and Budgetary Questions,²¹

Bearing in mind Security Council resolutions 727 (1992) of 8 January 1992 and 740 (1992) of 7 February 1992, which endorsed the sending of a group of military liaison officers to Yugoslavia to promote maintenance of the cease-fire,

Bearing in mind also Security Council resolution 743 (1992) of 21 February 1992, by which the Council established the United Nations Protection Force for an initial period of twelve months,

Recognizing that the costs of the Force are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recognizing also that, in order to meet the expenditures caused by the Force, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

5. *Decides further* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 4 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of 1.5 million dollars approved for the Force;
