

SECRETARY-GENERAL'S BULLETIN NO. 62, REV.3

To: Members of the Staff of United Nations

Subject: INSTALLATION ALLOWANCES AND GRANTS

Section 9, SGB/62, 12 March 1947, is hereby amended by the addition of paragraph (c). Paragraphs (a) (i) and (ii) in Section 9 should be changed manually to (a) and (b) respectively.

(c) Certain staff members who are appointed under terms of special General Assembly, conference or other similar short-term contracts may subsequently be offered continuing employment extending beyond the period of the original contract. It shall be the responsibility of the Bureau of Personnel or its designated representative in consultation with the Department concerned to give the staff member advance notice of the appointment to continuing employment at least thirty days preceding expiration of the special short term contract in all cases where this is possible. In all cases the payment of daily living allowances shall cease with the date of replacement of the special short term contract by a longer term contract, except that if the staff member has not received daily living allowances for a full sixty days, including payments under the special short term contract, the allowance shall cease at such later date when the staff member has received payment for a full sixty days. Daily living allowances in respect of dependents shall be governed by the provisions of Section 6 (c) of SGB/62.
