Pakistan: sub-amendments to amendments in document A/42/L.19

1. Add the following phrase at the end of the amendment in paragraph 1:

"which has been violated by the continuing presence of the foreign troops;"

2. Add to the amendment in paragraph 3 the words "so far achieved" after the words "the progress" and add at the end "the early and successful completion of which demands the immediate provision of a short time-frame for withdrawal". The revised amendment would therefore read as follows:

"and welcomes the progress so far achieved at the Geneva talks, the early and successful completion of which demands the immediate provision of a short time-frame for withdrawal;"
