COMMITTEE ON CONTRIBUTIONS
Eighteenth session, 25 May 1959
New York:

STATUS OF PAYMENT OF CONTRIBUTIONS

Report by the Secretary-General

1. A statement is annexed showing as at 20 May 1959 the status of: (1) advances to the Working Capital Fund, (2) contributions to the United Nations budget for the financial years 1956, 1957, 1958 and 1959, and (3) assessments to the United Nations Emergency Force Special Account for 1957, 1958 and 1959. The contributions to the United Nations budgets for the years prior to 1956 have been paid in full, and 1957 was the first year for which the UNEF assessments were established.
2. Under its terms of reference, one of the functions of the Committee on Contributions is "to consider and report to the General Assembly on the action to be taken if Members fall into default with their contribution" and in this connexion it shall "advise the Assembly on the action to be taken with regard to the application of Article 19 of the Charter", which provides as follows:

"A Member of the United Nations which is in arrears in the payment of its financial contributions to the Organization shall have no vote in the General Assembly if the amount of its arrears equals or exceeds the amount of the contributions due from it for the preceding two full years. The General Assembly, may, nevertheless, permit such a Member to vote if it is satisfied that the failure to pay is due to conditions beyond the control of the Member."

In the light of the discussion in the General Assembly the Secretary-General has interpreted this provision to mean that no Member State would be in arrears in the payment of its contributions within the terms of Article 19 unless the amount of arrears equalled or exceeded the amount of contribution due for the preceding two full years, not counting the current year.

3. At the present time the arrears of one Member State, Bolivia, exceed the amount of the contributions due from it for the years 1957 and 1958 and it would therefore legally be subject to the sanction provided in Article 19 of the Charter when the General Assembly opens its next session on 15 September 1959.

4. At its fifteenth session held in March 1956, the Committee on Contributions decided that since the question of the application of Article 19 would not arise for several months, the Chairman should be authorized to issue at a later date an addendum to its report on this question.^{a/} The Committee may wish to follow the same procedure in the present case.

^{a/} See Official Records of the General Assembly, Eleventh Session, Supplement No. 10 (A/3121, para. 27).

a/ An advance of \$790,000 was made in 1946 by undivided India to the Working Capital Fund. After division, the advances to be made by India and Pakistan separately were \$650,000 and \$140,000 respectively. The question whether India should receive credit for the total advance of \$790,000 or whether India and Pakistan should share proportionately is the subject of consultations between the two Governments. In the meantime the sum of \$140,000 is held in suspense. /...
