

COMMISSION ON NARCOTIC DRUGS

THIRD SESSION

ILLICIT TRAFFIC

(Item 8 of the Agenda)

Recommendation adopted by the Organization at its Meeting of 18 May 1948

THE ECONOMIC AND SOCIAL COUNCIL

CONSIDERING that the suppression of the illicit traffic in narcotic drugs is a matter of the utmost importance and the submission by governments of reports on cases of illicit traffic under Article 23 of the 1931 Convention is of the greatest value in combatting the illicit traffic,

REALIZING that in spite of measures taken by many governments the illicit traffic in narcotics appears to be developing on the dangerous lines of the pre-war years,

RECOMMENDS to all states parties to the 1931 Convention to pay particular attention to all the provisions of Article 23 of the Convention and to the relevant recommendations of the Commission on Narcotic Drugs in submitting the reports on the illicit traffic, and

REQUESTS the Secretary-General to bring to the attention of all parties to the international conventions on narcotics the chapter of the report on the third session of the Commission on Narcotic Drugs dealing with the illicit traffic
