THIRD COMMITTEE: COMMERCIAL POLICY

CORRIGENDUM TO SUMMARY RECORD OF SEVENTEENTH MEETING (III a)

Page 5, under paragraph 4: Delete the remarks of Mr. SÜETENS and substitute the following:

"Mr. SÜETENS (Belgium) said that the definition of a customs union appearing in Article 42 of the Draft Charter had been the subject of critical examination by the Study Group for a European Customs Union set up following the Sixteen Power Conference in Paris. It had emerged that the definition lacked precision and was not wholly adequate. He would transmit the Study Group's documents to the Sub-Committee set up to examine Article 42. He did not wish to go into detail, but he could say now that the definition of a customs union should cover customs duties only, including subsidiary fees but excluding regulations and restrictions."
