COMMITTEE VI: ORGANIZATION

MEXICO: PROPOSED AMENDMENT TO ARTICLE 99

The delegation of Mexico, in view of the discussion which took place in Sub-Committee J, on Article 99, paragraph 3, and taking into consideration the statements made by some of the delegations regarding constitutional difficulties for acceptance of the amendment originally proposed by the delegation of Mexico (document E/CONF.2/C.6/12, Page 28), proposes a new amendment to Article 99, as follows:

"3. Each Member in accordance with its constitutional system shall take such reasonable measures as may be available to it to assure observance of the provisions of this Charter by the regional and local governments and authorities within its territory and shall be responsible for any act or omission to act contrary to the provisions of this Charter on the part of any such governments or authorities."
