NOTE BY THE PRESIDENT

The following letter was sent to the Chairman of the Central Drafting Committee by the President of the Conference for circulation among the members of the Committee:

"Mr. Max Suetens,
Chairman of Central Drafting Committee,
United Nations Conference on Trade and
Employment,
Capitolio,
Havana, Cuba.

Dear Mr. Suetens:

I should be grateful if you would convey to the members of the Central Drafting Committee my appreciation and that of the Conference for the great contribution which they have made to the successful progress of the Conference. They have been engaged in a long and laborious task and in particular during the last few weeks have been asked to make an effort which must have involved heavy strain and sacrifice.

I should like them to know that I myself, and the Conference as a whole, fully recognize the weight of the demands which the Conference has made upon them and the splendid response they have made.

Yours sincerely,

Sergio I. Clark,
President,
United Nations Conference on
Trade and Employment"
