DRAFT ARTICLE TO REPLACE ARTICLES 7, 8, 9 AND 10 OF THE
SECRETARIAT'S DRAFT AGREEMENT

The Universal Postal Union agrees to co-operate with the Economic and Social Council by furnishing information and will render the Council such assistance as it may request, as far as is compatible with the terms of the postal convention, on the understanding that the obligations imposed by the postal convention in no way impair the obligations resting on countries which are Members of the United Nations, to give effect to decisions of the Security Council, the Trusteeship Council or the International Court of Justice notified to the Governments concerned.
