

INTERNATIONAL HEALTH CONFERENCE

COMMITTEE III (LEGAL)

Amendments to the Draft Constitution of the World Health Organization of the Preparatory Technical Committee in Paris, Submitted by the U.S.S.R., Ukrainian and Byelorussian Delegations.

Section IV - Membership to read:

1. "All States of the World may be members to the World Health Organization.
2. Member States of the United Nations should become members of the World Health Organization upon informing the Interim Executive Board of the World Health Organization regarding their ratification of the Constitution of the Organization.
3. States not Members of the United Nations should be admitted to the membership of the World Health Organization upon submitting their applications with regards to their desire to become members of the Organization by the decision of two-thirds of the votes cast of the Assembly."
