starting at 10 a.m. on Monday, 31 May 1999 */

1. Adoption of the agenda.
2. Preparation of a draft protocol on the reduction of nitrogen oxides and related substances.
3. Other business.
4. Adoption of the report.

*/ The special session is expected to close at 11 a.m. on Monday, 31 May 1999. Its report will be adopted on Friday, 4 June, in conjunction with the adoption of the report of the thirtieth session of the Working Group on Strategies.

EXPLANATORY NOTES TO THE PROVISIONAL AGENDA

Item 1: Adoption of the agenda

The Executive Body is expected to adopt the agenda.

Item 2: Preparation of a draft protocol on the reduction of nitrogen oxides and related substances

At its twenty-eighth session, the Working Group on Strategies recommended that the Executive Body should integrate sulphur fully into the protocol on the reduction of nitrogen oxides and related substances (EB.AIR/WG.5/58, para. 17 (b)). Considering the ongoing negotiations, the Executive Body is expected to take a decision on this matter.

Item 3: Other business

At the time of writing, the secretariat had no points to propose under this agenda item.

Item 4: Adoption of the report

The Executive Body is expected to adopt the report of its special session on the basis of a draft prepared by the secretariat.
