The General Assembly,

Recalling also its resolution 35/56 of 5 December 1980, the annex to which contains the International Development Strategy for the Third United Nations Development Decade, and its decision 40/438 of 17 December 1985 concerning the review and appraisal of the implementation of the Strategy,

2. Also requests the Secretary-General to report to the General Assembly at its forty-third session, through the Economic and Social Council, on the information requested above;

3. Decides to consider, at its forty-third session, appropriate further action for the preparation and elaboration of an international development strategy for the fourth United Nations Development decade (1991-2000).
