

2 February 1999

Information circular*

To: Members of the staff
From: The Assistant Secretary-General for Human Resources Management
Subject: **Special entitlements for staff members serving at designated duty stations****

1. The purpose of the present circular is to inform the staff that the International Civil Service Commission, upon the recommendation of the tripartite working group on the classification of duty stations according to conditions of life and work, has issued a new list of consolidated entitlements for designated duty stations, with effect from 1 January 1999, unless otherwise indicated.
2. Internationally recruited staff are eligible for such entitlements based on the classification rating of their duty station through the mobility and hardship allowance, as well as additional education grant travel and/or additional shipment entitlements, unless otherwise indicated.
3. Those duty stations are listed in annex I to the present amendment, which supersedes annex I to information circular ST/IC/1998/14 of 6 February 1998.
4. A "reserve list" of duty stations is shown in annex II to the present circular, superseding the one contained in annex II to information circular ST/IC/1998/14 of 6 February 1998. This list specifies those locations where staff are no longer assigned and where United Nations common system activities have ceased.
5. A list of duty stations at which staff are entitled to reimbursement for costs of basic medical examinations for accompanying family members is shown in annex III to the present circular.

* The present circular will be in effect until further notice.

** *Personnel Manual* index No. 7061.
