ECONOMIC COMMISSION FOR EUROPE

Joint Meeting on Transport and the Environment
Second session, 6 July 1999

STATUS OF NOMINATIONS FOR NATIONAL FOCAL POINTS AND
LEAD ACTORS FOR INTERNATIONAL ACTIVITIES
(up to 21 June 1999)

Status of nomination of national focal points and their contact persons

This document contains the names and contact details of the national focal points and international lead actors of the Programme of Joint Action on Transport and the Environment. It includes the nominations received up to 23 June 1999.

The ECE secretariat wishes to highlight that 37 countries have nominated national focal points, and that 30 countries have one focal point and 7 countries have two focal points. Of the 44 national focal points, 17 are from the transport sector, 26 from the environmental sector and one from a Ministry of Foreign Affairs. This important involvement of both concerned sectors contributes in a substantive way to the implementation of the Programme.
