MEETING OF STATES PARTIES
Ninth Meeting
New York, 19-28 May 1999

DECISIONS ON BUDGETARY MATTERS OF THE INTERNATIONAL
TRIBUNAL FOR THE LAW OF THE SEA FOR 2000

1. The Meeting of States Parties approves the budget of the International Tribunal for the Law of the Sea for 2000, amounting to \$7,657,019, as set out in annex I to the present document, together with the staffing table for the Registry of the Tribunal in 2000, as contained in annexes II and III. The Meeting takes note of the fact that most of the budgetary increase in 2000 over the level of 1999 is due to the move to the new premises of the Tribunal in 2000 and the operation of the premises.
2. With a view to providing the Tribunal with the necessary financial means to consider cases, in particular those requiring expeditious proceedings, as they are submitted to the Tribunal in 2000, the Meeting further approves an amount of \$679,364 in 2000 as the contingency funds of the Tribunal. The contingency funds shall be used only in the event of cases being submitted to the Tribunal.
3. The Meeting recalls that the eighth Meeting of States Parties approved the establishment of a Working Capital Fund for the Tribunal and that it provided on an exceptional basis for up to \$200,000, to be credited to the Fund from savings, if any, from the 1999 appropriation. The Meeting approves an additional amount of \$50,000 for advances to the Working Capital Fund of the Tribunal in 2000. The Meeting also decides that, on an exceptional basis, savings from appropriations in the budget for 2000, up to a maximum of \$200,000, will also be credited to the Fund.
4. Without prejudice to the application of the provisions of article 19 of annex VI to the United Nations Convention on the Law of the Sea in respect of future budgets of the Tribunal regarding the contribution to be made by the International Seabed Authority, the budget of the Tribunal in 2000, including its contingency funds in 2000 and the additional advances to its Working Capital Fund in 2000 amounting to \$50,000, will be financed by all States and international organizations that are Parties to the Convention.

5. The contributions to be made by States Parties shall be based upon the scale of assessments for the regular budget of the United Nations for the corresponding financial year, adjusted to take account of participation in the Convention. The Meeting of States Parties decides that a floor rate of 0.01 per cent and a ceiling rate of 25.00 per cent will be used in establishing the scale of assessments for States Parties for the budget of the Tribunal for 2000.
