2. Regulation 3.11 provides, inter alia, that the medium-term plan shall be revised as necessary every two years to incorporate required programme changes and that the proposed revisions shall be as detailed as required to incorporate the programme implications of the resolutions and decisions adopted by the intergovernmental organs or international conferences since the adoption of the plan.
3. 5. It is proposed to revise the title of programme 3 to read: "GENERAL ASSEMBLY AFFAIRS".

1. General orientation

Paragraph 3.1

Replace paragraph 3.1 with the following:

"The primary purpose of this programme is to provide adequate support services for the General Assembly, a principal organ of the United Nations, and related political analysis and advice to the Secretary-General. The basic mandate for the programme is thus the Charter of the United Nations. Discharge of these functions means that the responsible official, the Under-Secretary-General for Political Affairs, is also well placed to perform certain other political functions assigned to him by the Secretary-General."

Paragraph 3.2

Replace the first sentence with the following: "As the agenda of the General Assembly has grown since the establishment of the Organization, so has the task of providing services to this principal organ."

At the end of the last sentence, delete "and the Council".

2. Overall strategy

Paragraph 3.3

Replace paragraph 3.3 with the following:

"Activities under this programme will be carried out by the Department of Political Affairs. As a result of the restructuring of the Secretariat, the Office of the Under-Secretary-General for Political and General Assembly Affairs and Secretariat Services, which was formerly responsible for these activities, was incorporated into the new Department. The functions of that office relating to the technical servicing of meetings in the economic and social fields were transferred to the Department of Economic and Social Development. A description of the functions of the Department will be contained in the Organizational Manual of the Secretariat (ST/SGB/Organization) to reflect the changes."

Paragraph 3.4

Replace paragraph 3.4 with the following:

"In carrying out its functions, the Department will plan and help to organize meetings of the General Assembly; provide secretariat services; ensure coordination of the work of the Secretariat in their support; provide editorial services for documentation submitted to and by them; and follow up on implementation of resolutions adopted. Political functions will involve preparation of analyses, provision of advice and coordination of specified activities."

Paragraph 3.5

Replace paragraph 3.5 with the following:

"In relation to its servicing activities, the Department will ensure effective coordination with many offices, notably the Executive Office of the Secretary-General, including the Protocol and Liaison Service, and the Office of Conference Services. Its editorial functions require cooperation with a wide range of author departments, as well as with permanent missions and permanent observer missions, as does effective follow-up of resolutions adopted."

3. Subprogramme structure and priorities

Paragraph 3.6

Replace paragraph 3.6 with the following:

"The programme on General Assembly Affairs will consist of one subprogramme, entitled, 'General Assembly Affairs'."
