QUESTION OF ANTARCTICA

Letter dated 11 November 1987 from the Permanent Representative of
Brazil to the United Nations addressed to the Secretary-General

I have the honour to inform you that Brazil has hosted the fourteenth Antarctic Treaty Consultative Meeting at Rio de Janeiro from 5 to 16 October 1987. In this respect, the Government of Brazil, as host of the meeting, and on behalf of the Antarctic Treaty Consultative Parties, has instructed me to send you a copy of the provisional version of the final report of the meeting in the four official languages of the Treaty.

A copy of the English version is enclosed. Presently, copies of the French, Russian and Spanish versions shall be also forwarded. I would be grateful if you could arrange for this letter to be circulated as a document of the United Nations, under agenda item 70.
