On instructions from my Government and further to our previous letters, the most recent being that contained in document S/19342 concerning the Iranian régime's assiduous pursuit of its series of brutal crimes through the bombardment of purely residential neighbourhoods in Iraq, I have the honour to inform you that the forces of this régime carried out the following acts of aggression on 16 and 17 December 1987:

<u>Time</u>	<u>Place</u>	<u>Casualties and damage</u>
1015-1030	Sulaymaniyah: Beymalik residential complex, Qala Diza district	Two citizens killed
2200-2400	Sulaymaniyah, outskirts of the town of Sayyid Sadiq	One citizen wounded; damage to one dwelling house
0950-1100	Diyala: Khanaqin district	Two children and one woman wounded

I should be grateful if you would have this letter circulated as a document of the Security Council.
