SPECIAL ECONOMIC AND DISASTER RELIEF ASSISTANCE

Report of the Secretary-General

Corrigendum

1. Annex, paragraph 17

Replace the paragraph with the following text:

17. The original project comprised a unit for pigs and a unit for poultry. The unit for pigs has been started and it is now planned to raise 5,000 pigs instead of 1,000. Yugoslavia has pledged \$730,000. These funds, added to the Government's contribution of \$100,000, would suffice for the pig unit. However, \$250,000 is still required to construct pork processing facilities.

2. Annex, paragraph 18

Replace the paragraph with the following text:

18. The United Nations Capital Development Fund has provided \$598,000 for the poultry unit. In addition, because of the importance of the project, the Government has allocated \$150,000 from the National Development Fund. The unit is now in operation.

3. Annex, paragraph 29, second line
