New York, N.Y. 10017

Dear Sirs,

The island of Belau is under your trusteeship. You are responsible for the welfare of its inhabitants. They have passed a nuclear-free Constitution. The United States of America is trying to abrogate this Constitution purely for its own military ends. Such acts are surely incompatible with its concept of trusteeship.

They are a scandal and a disgrace.

Yours faithfully,

(Signed) David BARNETT
