B. Report of the Second Committee

Rapporteur: Mr. Ali Benbouchta (Morocco)

1. Insert a new paragraph after paragraph 165 to read as follows:

"The United Nations Secretariat should undertake the compilation of comparative national legislations which are aimed at promoting sex equality. Such a compilation would assist in the introduction of new laws designed to integrate women into all fields of activities, by way of generating ideas and exerting persuasion. The compilation should be issued within the framework of the United Nations Legislative Series."

2. Replace the heading in Annex I, page 9, by the following:

"Assistance to women refugees and displaced women the world over".
