On instructions from my Government and further to our numerous letters, the latest of which was contained in document S/19670, concerning the Iranian régime's continued bombardment of purely residential areas in Iraq, I have the honour to inform you that, on 22, 23 and 24 March 1988, the forces of that régime carried out a series of acts of aggression details of which are set forth in the attached annex.

I should be grateful if you would have this letter and its annex circulated as an official document of the Security Council.
