Letter dated 30 March 1988 from the Permanent Representative of  
Iraq to the United Nations addressed to the Secretary-General

On instructions from my Government, and further to our many previous letters (the most recent being that contained in document S/19701) concerning the Iranian régime's persistence in shelling purely residential districts in Iraq, I have the honour to inform you that, on 27 and 28 March 1988, the forces of the Iranian régime committed the acts of aggression which are listed in the annex to this letter.

I should be grateful if you would have this letter and its annex circulated as a document of the Security Council.

(Signed) Ismat KITTANI  
Permanent Representative
