Mr. ABDEL-HAMID (United Arab Republic), Rapporteur, introduced the draft report to the fifth special session of the General Assembly (A/AC.121/L.4). Some delegations had submitted corrections to the summaries of their views, which would appear in the final report. Documents A/AC.121/L.3 and A/AC.121/WG.A/1 would be annexed to the report. As decided at the third meeting of Working Group B, the report contained no conclusions.

Mr. SEYDOUX (France) proposed that the letter addressed by him to the Chairman on 27 April 1967 on voluntary contributions should be annexed to the report.

It was so agreed.

Mr. FINGER (United States of America) proposed that General Assembly resolution 1874 (S-IV) should also be annexed to the report.

It was so agreed.

The draft report, as amended, was adopted.

The CHAIRMAN suggested that the meeting should adjourn so that negotiations might continue on the Special Committee's conclusions on the items it had discussed.

It was so agreed.

The meeting rose at 11.10 a.m.
