P R O T O C O L
ON THE ESTABLISHMENT OF DIPLOMATIC RELATIONS
BETWEEN THE REPUBLIC OF CYPRUS AND THE REPUBLIC OF TAJIKISTAN

The Republic of Cyprus and the Republic of Tajikistan guided by mutual willingness to develop relations of friendship and cooperation between the two countries in political, trade, economic and other fields have decided to establish diplomatic relations as of the date of signing of This Protocol and to exchange diplomatic missions at the level of Embassies.

The two Sides have reached an agreement to develop their relations on the basis of principles of equality of states, mutual respect, self-determination, independence and sovereignty, territorial integrity and non interference into internal affairs of each other in accordance with the UN Charter.

Both Sides are convinced that the establishment of diplomatic relations between the Republic of Cyprus and the Republic of Tajikistan corresponds to the interests of the Two States, is not directed against any other country and will facilitate strengthening of international cooperation and universal peace.

Both Sides have agreed to base their diplomatic relations on the Vienna Convention on Diplomatic Relations, signed on April 18, 1961.

For this authorized representatives of the Republic of Cyprus and the Republic of Tajikistan have signed this Protocol in duplicate, in the English and Russian languages, both texts being equally authentic.
