I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNDOF
FOR THE PERIOD FROM 1 DECEMBER 1993 TO 30 NOVEMBER 1994

A. Period from 1 December 1993 to 31 May 1994

1. By its resolution 887 (1993) of 29 November 1993, the Security Council decided to renew the mandate of the United Nations Disengagement Observer Force (UNDOF) for another period of six months, that is, until 31 May 1994. By its resolution 48/253 of 26 May 1994, the General Assembly decided to appropriate to the Special Account the amount of \$16,080,000 gross (\$15,594,000 net) for the period from 1 December 1993 to 31 May 1994. The Assembly also decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of \$478,500 and other income of \$7,500. It further decided that there should be set off against the apportionment among Member States their respective share in the unencumbered balance of \$706,000 gross (\$640,000 net) for the period from 1 December 1992 to 30 November 1993, inclusive. This served to reduce the level of commitments for the period from 1 December 1993 to 31 May 1994 to \$15,374,000 gross (\$14,954,000 net).

2. The amount so appropriated by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.C below and is shown in section IV below.

B. Period from 1 June to 30 November 1994

3. By its resolution 921 (1994) of 26 May 1994, the Security Council decided to renew the mandate of UNDOF for another period of six months, that is, until 30 November 1994. By its resolution 48/253, the General Assembly authorized the Secretary-General to enter into commitments for UNDOF at a rate not to exceed \$2,680,000 gross (\$2,599,000 net) per month for the period of six months from 1 June 1994. The difference between the gross amount (\$16,080,000) and the net amount (\$15,594,000) is due to income from staff assessment (\$478,500) and other income (\$7,500).

4. The amount so appropriated by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.C below and is shown in section V below.

C. Apportionment of the costs of peace-keeping operations

5. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The

/...

resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

6. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

7. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

8. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNDOF. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 52 new Member States, including 6 new Member States in 1993, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 of 23 December 1992 and decision 48/472 of 23 December 1993. The percentage shares shown in sections IV and V below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by the General Assembly in its resolution 46/221 A of 20 December 1991 and adjusted in accordance with Assembly decision 47/456 of 23 December 1992 and resolution 48/223 A of 23 December 1993.
