Note by the Secretary-General of the Conference

1. The Economic and Social Council, in its resolution 1991/93 of 26 July 1991, invited the regional commissions to convene meetings or conferences to review the experience gained in population policies and programmes in their regions as part of their contribution to the preparatory activities for the 1994 International Conference on Population and Development.

2. The first of such regional conferences was the Fourth Asian and Pacific Population Conference, which was held at Denpasar, Indonesia, from 19 to 27 August 1992. The Conference, jointly sponsored by the Economic and Social Commission for Asia and the Pacific (ESCAP) and the United Nations Population Fund (UNFPA), consisted of a meeting of senior officials (19-25 August 1992), followed by a two-day ministerial meeting (26-27 August 1992). Annexed to the present document, in the language of submission only, are the reports of those meetings, including the Bali Declaration on Population and Sustainable Development.
