(c) UNITED STATES OF AMERICA

- No. 388 Seizures in March and April 1955 at Pasadena and Los Angeles, California. Report No. 1404 communicated by the Government of the United States of America on 24 June 1955. (5008)
1(a). Morphine: approximately 1.7 kg
2. On 12 and 16 March 1955, an undercover agent purchased small quantities of morphine hydrochloride from Howard Vincent Perno. Perno was arrested on 15 April at Los Angeles when attempting to deliver a further quantity of the drug, and following this, police arrested Robert Brown, Frank Willie Greer, Jr., Golden Ester Elliott, Juan Jose Flores and Solomon Rodrigo Sandez, Jr.

An analysis of a sample of the seized drugs showed the following composition: 16.5% morphine, 1% diacetylmorphine, 1.2% codeine, 2.5% other opium alkaloids and sugar. The very small amount of diacetylmorphine suggests that it was the product of a crude laboratory.

No. 389 Seizures at Laredo, Texas, on 18 and 30 January and 29 April 1955. Report No. 1405 communicated by the Government of the United States of America on 29 June 1955. (5014)
