I. INTRODUCTION

1. The Security Council, in its resolution 880 (1993) of 4 November 1993, decided to establish a team of 20 military liaison officers for a single period of six months with a mandate to report on matters affecting security in Cambodia, to maintain liaison with the Government of Cambodia and to assist the Government in dealing with residual military matters relating to the Paris Agreements (A/46/608-S/23177). The United Nations Military Liaison Team in Cambodia became operational on 15 November 1993. The mandate formally expired and the Team ceased operations on 15 May 1994.

2. It may be recalled that the General Assembly, in its decision 48/480 of 23 December 1993 decided, on an exceptional basis, to authorize the Secretary-General to enter into total commitments up to the amount of \$756,500 gross (\$724,200 net) for the period from 4 November 1993 to 31 March 1994 and apportion that amount among Member States; and requested the Secretary-General to establish a special account for the Liaison Team.

3. In its resolution 48/257 of 26 May 1994, the General Assembly decided to appropriate an amount of \$910,400 gross (872,100 net) for the six-month period from 15 November 1993 to 15 May 1994, inclusive of the amount of \$756,500 gross (\$724,200 net) authorized and apportioned in accordance with decision 48/480; and decided to apportion the additional amount of \$153,900 gross (\$147,900 net), taking into account the amount already apportioned in accordance with decision 48/480.

4. In the same resolution, the General Assembly requested the Secretary-General to submit to it at its forty-ninth session a performance report on the budget of the Liaison Team for the mandate period ending 15 May 1994. The present report is submitted pursuant to that request.
