Introductory Note

1. The UNDEX List of Documents Issued, prepared by the Dag Hammarskjöld Library at United Nations Headquarters, contains a listing and the bibliographic description of all documents and publications of the United Nations received by the Library, except restricted material and internal papers. It also includes all printed publications of the International Court of Justice.

2. Each issue covers documents and publications issued and received in the Library during the six month period prior to the month indicated on the cover. The coverage of each issue is limited to specific series of documents and follows an established yearly pattern as follows:

Issues 1 and 6: documents issued in the General Assembly series (A/- symbols)

Issues 2 and 7: documents issued in the Economic and Social Council series (E/- symbols)

Issues 3 and 8: documents issued in the Security Council series (S/- symbols), the Trusteeship Council series (T/- symbols), publications of the International Court of Justice, and sales publications

Issues 4 and 9: documents issued in the Secretariat series (ST/- symbols) and in the series of the regional economic commissions (E/CEPAL/- (E/CN.12/-), E/ECA/- (E/CN.14/-), E/ECE/-, E/ECWA/- and E/ESCAP/- (E/CN.11/-) symbols)

Issues 5 and 10: documents issued by other organs or bodies (UNCTAD, UNIDO, UNICEF, UNDP, Disarmament Commission, etc.). Issue No.10 also contains a consolidated list of periodicals.

3. The material is entered according to series symbols. Publications that do not bear a symbol are entered by title under the issuing body. An asterisk (*) is used to indicate documents issued as drafts of preliminary texts subject to revision, or issued in provisional (mimeographed) editions subject to later publication in printed Official Records or as printed sales publications. A square (■) appearing next to a series or to an entry denotes that the documents in the series or the document described in the entry are included in UNDEX, series A and B. Also it indicates that full texts of the documents are available in microfiche form. Information concerning the different language versions of documents is given at the beginning of each series.

4. Symbols of United Nations documents are made up of juxtaposed elements that indicate the authority under which they are issued. These elements, which are separated by oblique strokes, are composed of capital letters and figures, usually Arabic numerals. Additional information concerning United Nations document series symbols, as well as a broad subject guide to the series, can be found in the publication List of United Nations Document Series Symbols (ST/LIB/SER.B/5/Rev.2) 1/

5. The UNDEX List of Documents Issued is published 10 times a year (once a month, except July and August) in English and French.
