Introductory Note^{1/}

1. The UNDEX List of Documents Issued, prepared by the Dag Hammarskjöld Library at United Nations Headquarters, contains a listing and the bibliographic description of all documents and publications of the United Nations received by the Library, except restricted material and internal papers. It also includes all printed publications of the International Court of Justice.

2. Each issue covers documents and publications issued and received in the Library during the six month period prior to the month indicated on the cover. The coverage of each issue is limited to specific series of documents and follows an established yearly pattern as follows:

Issues 1 and 6: documents issued in the General Assembly series (A/- symbols)

Issues 2 and 7: documents issued in the Economic and Social Council series (E/- symbols)

Issues 3 and 8: documents issued in the Security Council series (S/- symbols), the Trusteeship Council series (T/- symbols), publications of the International Court of Justice, and sales publications

Issues 4 and 9: documents issued in the Secretariat series (ST/- symbols) and in the series of the regional commissions (E/CEPAL/- (E/CN.12/-), E/ECA/- (E/CN.14/-), E/ECE/-, E/ECWA/- and E/ESCAP/- (E/CN.11/-) symbols)

Issues 5 and 10: documents issued by other organs or bodies (UNCTAD, UNIDO, UNICEF, UNDP, Disarmament Commission, etc.). Issue No.10 also contains a consolidated list of periodicals.

3. Each issue comprises four sections: (a) a bibliographic listing of documents, arranged by symbol; (b) a list of documents republished in the Official Records or elsewhere; (c) a list of sales publications included in the issue; and (d) a broad subject key to documents listed.

4. The material is entered according to series symbols. Publications that do not bear a symbol are entered by title under the issuing body. An asterisk (*) is used to indicate documents issued as drafts of preliminary texts subject to revision, or issued in provisional (mimeographed) editions. A square (■) appearing next to a series or to an

entry denotes that the documents in the series or the document described in the entry are included in UNDEX, series A and B. Also it indicates that full texts of the documents are available in microfiche form. Information concerning the different language versions of documents is given at the beginning of each series.

5. Symbols of United Nations documents are made up of juxtaposed elements that indicate the authority under which they are issued. These elements, which are separated by oblique strokes, are composed of capital letters and figures, usually Arabic numerals. Additional information concerning United Nations document series symbols, as well as a broad subject guide to the series, can be found in the publication List of United Nations Document Series Symbols (ST/LIB/SER.B/5/Rev.2) 2/. A revised version is in preparation.

6. For distribution purposes, documents and meeting records of the United Nations are classified in the following categories:

(a) General: documents receiving full circulation. This designation is used on basic documents and final meeting records, including agendas, studies and reports, communications from Governments and adopted resolutions and other decisions of main organs;

(b) Limited: documents for which wide circulation is unnecessary because of the temporary nature of the documents, such as draft resolutions and amendments thereto, draft reports and other action documents. The documents of this category are not available for distribution to depository libraries;

(c) Restricted: applies exclusively to documents whose content requires that they be treated as confidential or withheld from public circulation.

7. The UNDEX List of Documents Issued is published 10 times a year (once a month, except July and August) in English and French.

8. Other indexes prepared by the Dag Hammarskjöld Library are available in the following series:

(a) The UNDEX Subject Index (ST/LIB/SER.I/A.-) provides a subject approach to the most relevant information contained in United Nations documentation. Issued in English, French, Russian and Spanish;

^{1/} As of January 1979, the UNDEX List of Documents Issued will be superseded by UNDOC: Current Index. The new publication is one of the products of the United Nations Bibliographic Information System (UNBIS), a new computer-based on-line system. UNDOC: Current Index will contain a comprehensive checklist, with full bibliographic description of all United Nations documents received at Headquarters, together with subject, author and title indexes. It will be issued ten times a year, with annual cumulations, and initially in English only. To avoid disruption of coverage during the transition to the new publication, the Library will issue in the early part of 1979 a special supplement to the UNDEX List of Documents Issued (ST/LIB/SER.I/C.51) in English only. The special supplement will cover all the documents received by the Library by the end of 1978 and not listed in the 1978 issues. Documents received in 1979 will be listed in the forthcoming issues of UNDOC: Current Index.

^{2/} United Nations publication, Sales No. E.70.I.21.

(b) The UNDEX Country Index (ST/LIB/SER.I/B/-) provides information on the major aspects of the participation of Member States in United Nations affairs and reference to the documents containing a record of it. Issued in English, French, Russian and Spanish;

(c) The Index to Proceedings series (ST/LIB/SER.B/A.-, ST/LIB/SER.B/E.-, ST/LIB/SER.B/S.-, ST/LIB/SER.B/T.-) provides a bibliographic guide to the proceedings and related documentation of sessions of the General Assembly, the Economic and Social Council, the Security Council and the Trusteeship Council. Issued in English. A summarized version is issued in Arabic for the General Assembly (ST/LIB/SER.L/-) and in Chinese for the General Assembly, the Security Council and the Economic and Social Council (ST/LIB/SER.J/-);

(d) The Index to Resolutions series (ST/LIB/SER.H/-) provides a cumulative guide to the information contained in resolutions adopted by United Nations organs and bodies. Issued in English only;

(e) Cumulative indexes to the United Nations Treaty Series provide a guide to the treaties and international agreements registered or filed and recorded with the Secretariat of the United Nations. Issued in English and French.

9. General information on United Nations documentation is contained in a booklet entitled United Nations Documentation: A Brief Guide for Official Recipients (ST/LIB/34).

10. The UNDEX List of Documents Issued is available through official distribution and for sale by subscription. Subscriptions may be placed with a sales agent of United Nations publications. Orders and enquiries from countries without a sales agent may be addressed to United Nations Publications, room LX-2300, New York, N.Y. 10017, USA, or to United Nations Publications, Palais des Nations, 1211 Geneva 10, Switzerland.

11. The text of the documents listed in this publication is preserved in the documentary collection of the Dag Hammarskjöld Library at the United Nations Headquarters in the original paper form and on microfiche or microfilm. Users may consult the documents in room L-260 (telephone extension 7412). Reference staff is on duty to assist users in locating the information needed. Photocopies of documents and copies of microfiches, or photographic enlargements of portions of the text which they contain, can be made available, on request, upon payment of a fee.

12. Documents and publications are available throughout the world in a special network of depository libraries established by the United Nations. The principles and policies governing the depository libraries system are contained in document ST/LIB/13/Rev.2. A list of the depository libraries and information centres receiving United Nations material is contained in document ST/LIB/12/Rev.5 and Add.1 and 2.

13. Comments and suggestions concerning this publication will be greatly appreciated. They should be addressed to the Director, Dag Hammarskjöld Library, United Nations, New York, N.Y. 10017, USA.
