# INTERNATIONAL COURT OF JUSTICE

## PUBLICATIONS

1. The publications of the Court include:

The decisions given by the Court, consisting of judgments, advisory opinions and orders. Each decision is printed in a separate unbound edition. It is also possible to obtain, in January of each year, the collected reports for the preceding year in one bound volume (consecutive pagination is used through the year). For the benefit of those who obtain the reports at the time of their publication, a stiff cover may be purchased in which it is possible to assemble the separate reports and the index, which may also be purchased separately. The series in which these decisions are published is entitled *Reports of judgments, advisory opinions and orders*. This series is English and French bilingual on facing pages.

The documentation of each case: pleadings, oral arguments, and other relevant documents. This publication appears after the Court has given its final decision in a case. The series is entitled *Pleadings, oral arguments, documents*. Documents, speeches of counsel, etc. are printed only in the language, English or French, in which they were submitted to the Court. Introductory material is bilingual English and French.

Acts and documents concerning the organization of the Court. Only one volume has appeared, containing the English and French texts of the Charter of the United Nations, the Statute of the Court and the Rules of the Court, together with certain other documents. Bilingual, English and French on facing pages.

Yearbook. A yearbook appears in the autumn of each year, covering the period from August 1st of the previous year to July 31st of the current year. It contains information concerning the Court's basic texts, the organization of the Court and its composition (with biographies of the Judges), the Court's jurisdiction in contentious and advisory proceedings, the work of the Court during the year, the administration of the Court, the work of the Registry and the finances of the Court. The texts of declarations recognizing as compulsory the jurisdiction of the Court are reproduced in full, and other instruments governing the Court's jurisdiction are listed. Judgments or advisory opinions given during the course of the year are summarized. This series is published in two editions, the *Yearbook* in English and the *Annuaire* in French.

Bibliography. A bibliography is published at the beginning of each year listing all works and documents relating to the Court which have come to the Registry's attention during the previous year. Bibliographies Nos. 1-18 formed Chapter IX in the appropriate *Yearbook* or *Annuaire* up to the 1963-1964 editions, but Nos. 19 and onwards constitute a separate series of publications. Entries are in the original language of the title of the work or document listed; explanatory matter and indexes (cumulative from No. 19 onwards) are now in both English and French in the same volume.
