Footnote 1/ should read:

"The Organisation is a founder member of the Council for the Co-ordination of International Congresses of Medical Sciences (CCICMS). The latter Council is in consultative status with the United Nations Educational, Scientific and Cultural Organization, and has official relations with the World Health Organization. The purpose of the International Federation of Ophthalmological Societies is to ensure permanent co-operation among representatives of ophthalmological societies of different nations in the promotion of the science of ophthalmology.

"The text of the International Rules for Eye Examinations and Visual Demands is that as given in an article, "Ophthalmic International Standards", 1959, by Prof. T.W. Nordenson, published in the British Journal of Ophthalmology (August 1951)."
