NOTE BY THE PRESIDENT OF THE SECURITY COUNCIL

Following consultations with the members of the Security Council, the President of the Council made the following statement, on behalf of the Council, at its 3184th meeting, held on 17 March 1993, in connection with the Council's consideration of the item entitled "The situation in Bosnia and Herzegovina":

"The Security Council has been informed by the Secretary-General in a letter of 12 March 1993 of the violation on 11 March 1993 by military jets, proceeding from the airport of Banja Luka, of Security Council resolution 781 (1992), relating to the prohibition of military flights in the airspace of the Republic of Bosnia and Herzegovina, notwithstanding the fact that the Bosnian Serbs at the airport had received appropriate notification by United Nations observers that such flights would constitute a violation of the said resolution.

"The Security Council equally takes note of the report by the Secretary-General in his letter of 16 March 1993 indicating that on 13 March 1993 new violations of the no-fly zone took place by planes that proceeded to bomb the villages of Gladovici and Osatica in the Republic of Bosnia and Herzegovina before leaving in the direction of the Federal Republic of Yugoslavia (Serbia and Montenegro). The above flights are the first violations of Security Council resolution 781 (1992) observed by UNPROFOR which involved combat activity.

"The Security Council strongly condemns all violations of its relevant resolutions and underlines the fact that since the beginning of the monitoring operations in early November 1992, the United Nations has reported 465 violations of the no-fly zone over the Republic of Bosnia and Herzegovina.

"The Security Council demands that these violations cease forthwith and reiterates its strong determination to ensure full respect of its resolutions. It particularly underlines its condemnation of all violations, especially those reported by the Secretary-General in his letters referred to above, at a time when the peace process has reached a

critical juncture and when humanitarian relief efforts require full cooperation by all parties.

"The Security Council demands from the Bosnian Serbs an immediate explanation of the aforementioned violations and particularly of the aerial bombardment of the villages of Gladovici and Osatica.

"It requests the Secretary-General to ensure that an investigation is made of the reported possible use of the territory of the Federal Republic of Yugoslavia (Serbia and Montenegro) to launch air attacks against the territory of the Republic of Bosnia and Herzegovina.

"The Security Council has mandated its President to convey to the Minister for Foreign Affairs of the Federal Republic of Yugoslavia (Serbia and Montenegro) and to the leader of the Bosnian Serbs its deepest concern about the above-mentioned developments, and its demand that they take immediate action to prevent any repetitions of these attacks.

"The Security Council will continue to consider what additional steps may be required to secure implementation of the provisions of relevant Security Council resolutions."
