SUMMARY STATEMENT BY THE SECRETARY-GENERAL ON MATTERS
OF WHICH THE SECURITY COUNCIL IS SEIZED AND ON THE
STAGE REACHED IN THEIR CONSIDERATION

Addendum

Pursuant to rule 11 of the provisional rules of procedure of the Security Council, the Secretary-General is submitting the following summary statement.

The list of items of which the Security Council is seized is contained in documents S/25070 of 9 January 1993, S/25070/Add.4 of 4 February 1993, S/25070/Add.7 of 26 February 1993 and S/25070/Add.8 of 8 March 1993.

During the week ending 6 March 1993 the Security Council took action on the following items:

The situation concerning Western Sahara (see S/11593/Add.42, S/11593/Add.44, S/19420/Add.38, S/21100/Add.25, S/22110/Add.17 and S/23370)

The Security Council resumed its consideration of the item at its 3179th meeting, held on 2 March 1993, in accordance with the understanding reached in its prior consultations, having before it the report of the Secretary-General on the situation concerning Western Sahara (S/25170).

The President drew attention to the text of a draft resolution (S/25340), which had been prepared in the course of the Council's consultations.

The Security Council then proceeded to vote on draft resolution S/25340 and adopted it unanimously as resolution 809 (1993).

Resolution 809 (1993) reads as follows:

The Security Council,

Reaffirming its resolutions 621 (1988) of 20 September 1988, 658 (1990) of 27 June 1990, 690 (1991) of 29 April 1991 and 725 (1991) of 31 December 1991,

Recalling that in conformity with the Settlement Plan regarding the question of Western Sahara (S/21360 and S/22464), as adopted by resolutions 658 (1990) and 690 (1991), it was for the Secretary-General to determine the instructions for the review of the applications for participation in the referendum, and that the Council welcomed in its resolution 725 (1991) the report of the Secretary-General dated 19 December 1991 (S/23299),

<u>Having considered</u> the report of the Secretary-General on the situation concerning Western Sahara (S/25170),

Concerned by the difficulties and delays encountered in the implementation of the Settlement Plan regarding the question of Western Sahara and in particular the persistent divergences between the two parties on the interpretation and application of the criteria for voter eligibility set out by the Secretary-General in his report dated 19 December 1991 (S/23299),

<u>Determined</u> that the Settlement Plan regarding the question of Western Sahara be implemented without further delay in order to achieve a just and lasting solution,

Stressing the desirability of ensuring the full cooperation of both parties for the implementation of the Settlement Plan,

- 1. Welcomes the report of the Secretary-General on the situation concerning Western Sahara (S/25170);
- 2. <u>Invites</u> the Secretary-General and his special representative to intensify their efforts, with the parties, in order to resolve the issues identified in his report (S/25170), in particular those relating to the interpretation and application of the criteria for voter eligibility;
- 3. <u>Invites further</u> the Secretary-General to make the necessary preparations for the organization of the referendum of self-determination of the people of Western Sahara and to consult accordingly with the parties for the purpose of commencing voter registration on a prompt basis starting with the updated lists of the 1974 census;
- 4. <u>Invites also</u> the Secretary-General to report to the Council as soon as possible and not later than May 1993 on the outcome of his efforts, on the cooperation of the parties and on the prospects and modalities for the holding of the referendum on a free and fair basis with a view that this take place by the end of the current year at the latest, and <u>requests</u> the Secretary-General to include in this report proposals for the necessary adjustments to the present role and strength of the United Nations Mission for the Referendum in Western Sahara (MINURSO);

- 5. <u>Urges</u> the two parties to cooperate fully with the Secretary-General in implementing the Settlement Plan which has been accepted by them and approved by the Council in its resolutions 658 (1990) and 690 (1991), and in resolving the issues identified in the Secretary-General's recent report (S/25170), in particular those relating to the interpretation and application of the criteria for voter eligibility;
 - 6. Decides to remain actively seized of the matter.

By a letter dated 3 March 1993 addressed to the President of the Security Council (S/25353), the Permanent Representative of the United States of America to the United Nations requested, in view of reports of continuing fighting in Bosnia and Herzegovina, an immediate meeting of the Security Council to discuss the situation.

By a letter dated 3 March 1993 addressed to the President of the Security Council (S/25358), the Permanent Representative of Bosnia and Herzegovina to the United Nations informed the President of the Council that "Serbian and Montenegrin extremist forces had overrun the town of Cerska, as well as many surrounding villages, in a new round of expulsions and genocide, and were threatening the region of Srebrenica". As these attacks threatened the entire peace process, acting under paragraph 1 of Article 35 of the United Nations Charter, he requested an emergency meeting of the Security Council.

The Security Council resumed its consideration of the item at its 3180th meeting, held on 3 March 1993, in response to the above requests.

The President, with the consent of the Council, invited the representative of Bosnia and Herzegovina, at his request, to participate in the discussion without the right to vote.

The Fresident stated that, following consultations among members of the Security Council, he had been authorized to make the following statement on behalf of the Council (S/25361):

"The Security Council, recalling all its relevant resolutions and statements, expresses its grave concern at and condemns the continuing unacceptable military attacks in eastern Bosnia and the resulting deterioration in the humanitarian situation in that region. It is appalled that even as peace talks are continuing attacks by Serb paramilitary units, including, reportedly, the killings of innocent

civilians, continue in eastern Bosnia. In this connection, the Security Council is particularly concerned about the fall of the town of Cerska and the imminent fall of neighbouring villages. The Security Council demands that the killings and atrocities must stop and reaffirms that those guilty of crimes against international humanitarian law will be held individually responsible by the world community.

"The Security Council demands that the leaders of all the parties to the conflict in the Republic of Bosnia and Herzegovina remain fully engaged in New York in a sustained effort with the Co-Chairmen of the Steering Committee of the International Conference on the Former Yugoslavia to reach quickly a fair and workable settlement. In this connection, the Security Council also demands that all sides immediately cease all forms of military action throughout the Republic of Bosnia and Herzegovina, cease acts of violence against civilians, comply with their previous commitments including the cease-fire, and redouble their efforts to settle the conflict.

"The Security Council further demands that the Bosnian Serb side as well as all other parties refrain from taking any action which might endanger the lives and well-being of the inhabitants of eastern Bosnia, particularly in the areas near the town of Cerska, and that all concerned allow the unimpeded access of humanitarian relief supplies throughout the Republic of Bosnia and Herzegovina, especially humanitarian access to the besieged cities of eastern Bosnia, and permit the evacuation of the wounded.

"Having determined in the relevant resolutions that this situation constitutes a threat to international peace and security, the Security Council insists that these steps must be taken immediately.

"The Security Council also requests the Secretary-General to take immediate steps to increase UNPROFOR's presence in eastern Bosnia.

"The Security Council remains seized of the matter and is ready to meet at any moment to consider further action."
