### III. RECOMMENDATION OF THE FIFTH COMMITTEE

6. The Fifth Committee recommends to the General Assembly the adoption of the following draft resolution:

#### Financing of the United Nations Protection Force

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Protection Force 1/ and the related report of the Advisory Committee on Administrative and Budgetary Questions, 2/

Bearing in mind Security Council resolutions 727 (1992) of 8 January 1992 and 740 (1992) of 7 February 1992, in which the Council endorsed the sending of a group of military liaison officers to Yugoslavia to promote maintenance of the cease-fire,

Bearing in mind also Security Council resolution 743 (1992) of 21 February 1992, by which the Council established the United Nations Protection Force, and the subsequent resolutions by which the Council extended the mandate of the Force, the latest of which was resolution 847 (1993) of 30 June 1993,

Recalling its resolutions 46/233 of 19 March 1992 and 47/210 of 22 December 1992 on the financing of the Force,

Reaffirming that the costs of the Force are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decision regarding the fact that, in order to meet the expenditures caused by the Force, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the Force by certain Governments,

---

1/ A/47/741/Add.1 and Corr.1.

Also expressing concern about the delays in submission of budget documents until well into the financial period of the Force, which have contributed to the deteriorating financial situation,

Expressing deep concern about the adverse effect that the deteriorating financial situation has on reimbursement to troop contributors, placing an additional burden on these countries and putting at risk the continuing supply of troops to the Force and, consequently, the success of the operation,
