Statement submitted by the Secretary-General in accordance with rule 153 of the rules of procedure of the General Assembly

1. On 8 November the following draft resolutions were submitted to the General Assembly in connexion with its consideration of item 28, Policies of Apartheid of the Government of South Africa: A/35/L.13, A/35/L.14, A/35/L.15, A/35/L.16, A/35/L.17, A/35/L.18, A/35/L.19, A/35/L.21, A/35/L.22, A/35/L.23, A/35/L.25, A/35/L.26, A/35/L.27 and A/35/L.28.

A. Military and nuclear collaboration with South Africa (A/35/L.14) (\$185,500)

3. By operative paragraph 7 of the draft resolution the General Assembly would authorize the Special Committee:

(a) To continue its efforts to promote a comprehensive and effective embargo on all forms of military and nuclear collaboration with the racist régime of South Africa, and to take appropriate measures for this purpose;

(b) To continue its co-operation with the Security Council Committee established by resolution 421 (1977) concerning the question of South Africa and to organize joint hearings and seminars with that Committee as appropriate.

4. In connexion with the above requests it is understood that a seminar on the implementation and reinforcement of Arms Embargo against South Africa will be held in Western Europe in June 1981. The holding of the seminar which would last for three days would require interpretation in two languages and provision of pre-, in- and post-session documentation of a total amount of 350 pages. Based on these assumptions the conference servicing requirements would be as follows:

Pre-session documentation (60,000 words) (languages: E, F)	\$ 35,100
Meeting servicing (languages of interpretation: E, F)	5,500
In-session documentation (33,000 words) (languages: )	12,900

Total	<u>\$143,000</u>

5. To participate in the seminar the Special Committee would send a delegation of five members accompanied by four staff members of the Secretariat. The Special Committee would invite to participate in the seminar 2 representatives of liberation movements, 10 representatives of anti-apartheid groups and international organizations and 15 experts. The relating estimated expenditures in respect of travel and subsistence would amount to \$42,500.

6. Other additional requirements resulting from the implementation of the requests contained in paragraph 7 of the draft resolution will be considered in the context of paragraphs 5 and 6 of draft resolution A/35/L.28.

B. Comprehensive sanctions against South Africa (A/35/L.15) (\$23,000)

7. Under the terms of operative paragraph 10 of the draft proposal the General Assembly would request and authorize the Special Committee against Apartheid:

(a) To continue in its campaign to achieve world-wide support for comprehensive mandatory economic and other sanctions against the racist régime of South Africa,

(b) To consult with experts, to hold hearings and organize seminars on all aspects of sanctions against South Africa.

8. It is the understanding of the Secretary-General that in respect of paragraphs 7 (a) and (b) above, the Special Committee intends to organize hearings on bank loans to South Africa, on publicity against apartheid, on all aspects of sanctions against South Africa and on legal aspects of the struggle against apartheid. The hearings will be held in New York, provision of conference servicing will not be required. To hold the hearings the Special Committee may invite 21 witnesses to come to New York for one day. Related provision for travel and subsistence would amount to \$23,000 approximately.

C. International Conference Sanctions against South Africa (A/35/L.21) (\$751,100)

9. Under the terms of draft resolution A/35/L.21 the General Assembly recalling its resolution 34/93 C of 12 December 1979 on an International Conference on Sanctions against South Africa, having considered the special report of the Special Committee against Apartheid (document A/35/22/Add.3-S/14156/Add.3), and endorsing the recommendation of the Special Committee for the convening of the Conference in 1981, would:

(a) Request and authorize the Special Committee against Apartheid to take all necessary steps, in co-operation with the Organization of African Unity, for the organization of the International Conference on Sanctions against South Africa and preparatory meetings, in accordance with the recommendations contained in its special report;

(b) Request the Secretary-General to provide all necessary assistance to the Special Committee in the organization of the Conference.

10. It should be recalled that at its last session by resolution 34/93 C the General Assembly decided to organize, in co-operation with the Organization of African Unity, an International Conference for Sanctions against South Africa in 1980, and authorized the Special Committee to take all necessary steps for the organization of the Conference and preparatory meetings.

11. In paragraph 31 of its third special report (document A/35/22/Add.3-S/14156/Add.3) the Special Committee recommended in respect of the Conference and preparatory meeting that:

(a) The International Conference on Sanctions against Africa shall be organized by the United Nations, in co-operation with OAU, at a date to be decided by the Preparatory Committee in consultation with the Secretary-General of the United Nations. The duration of the Conference shall be six working days.

(b) Invitations to the Conference shall be sent to all Member States of the United Nations and specialized agencies, to United Nations organs concerned, to organizations and institutions within the United Nations system, to the current Chairman of the Conference of Non-Aligned Countries, to intergovernmental organizations accorded observer status in the General Assembly, and to the national liberation movements recognized by the United Nations and OAU. The Preparatory Committee shall decide on invitations to non-governmental organizations and individual experts.

(c) The Conference shall conduct its work in:

- (i) Plenary meetings, which will be devoted to statements by representatives of Governments, intergovernmental organizations and national liberation movements, as well as others designated by the Preparatory Committee, and for the adoption of the final documents;
- (ii) A Political Commission, which will review action taken by Governments and intergovernmental and non-governmental organizations, and make proposals for further action;

(d) One or more preparatory meetings will be held for an exchange of views on all matters on the agenda of the Conference and for the preparation of basic documents for discussion at the Conference.

Arrangements for the preparatory meetings shall be decided by the Preparatory Committee.

12. Based on the above recommendations and on the assumption that the Conference would be held in Paris the total estimated cost of the holding of the Conference would amount to \$568,100 as follows:

- (i) Travel, subsistence and miscellaneous expenses in connexion with travel of 19 representatives of the Special Committee, 29 Secretariat staff members and 40 experts: \$153,400.
- (ii) Conference services (provision will be made for interpretation in five languages, publication of pre- and in-session documentation of a total amount of 850 pages in two languages (E and F) and of post-session documentation amounting to 150 pages in six languages):

	\$

Total	414,700

13. With regard to the preparatory meetings the Government of Nigeria has formally invited the United Nations to hold the meetings in Nigeria. Therefore, in accordance with provisions of General Assembly resolution 31/140 and based on the assumptions that the duration of the meetings would be four days, that interpretation and publication of pre- and in-session documentation of a total amount of 300 pages would be provided in two languages (English and French) and publication of post-session documentation (100 pages) would be in six languages, and that the Special Committee would invite representatives of 17 non-governmental organizations to participate in the preparatory meetings, the cost for the United Nations would be \$183,000 as follows:

	\$

Total	183,000

D. Assistance to the oppressed people of South Africa and their national liberation movement (A/35/L.22) (\$198,000)

E. Apartheid in sports (A/35/L.25) (\$33,000)

16. By operative paragraph 3 and 4 of the draft resolution the General Assembly would:

(a) Request the Ad Hoc Committee on the Drafting of an International Convention against Apartheid in Sports to continue its work with a view to submitting a draft convention to the General Assembly at its thirty-sixth session, and

(b) Authorize the Ad Hoc Committee to widen its consultations to include more sports bodies as well as ministers or authorities in charge of sports and recreation.

17. The Ad Hoc Committee would require the services of one consultant for a period of three months to assist in the revision and completion of the International Convention against Apartheid in Sports at an estimated cost of \$9,500, which includes a provision of \$2,000 for travel.

18. As regards consultations with representatives of organizations concerned and experts on apartheid in sports, it is estimated that three members of the Ad Hoc

Committee, accompanied by one staff member will undertake four trips, one each to participate in the International Conference on Sanctions against South Africa, to Western Europe, to Eastern Europe and to Africa, for an average duration of four days each. Assuming that some of the missions would be combined, the relating estimated expenditures would amount to \$23,500.

F. Women and children under apartheid (A/35/L.26) (\$24,200)

G. Programme of work of the Special Committee against Apartheid (A/35/L.23)  
(\$612,300)

21. By operative paragraph 1 of the draft resolution the General Assembly would endorse the recommendations of the Special Committee against Apartheid on its programme of work, contained in paragraphs 437 and 438 of its report.

22. In paragraph 437 of its report the Special Committee, considering the need for continuing and expanding its activities in the light of the recommendations contained in its report (document A/35/22, paras. 273 to 436) recommended that the authorizations contained in General Assembly resolution 34/93 L of 17 December 1979, should be renewed and that adequate financial provision be made for that purpose.

23. By its resolution, 34/93 the General Assembly authorized the Special Committee, inter alia:

"(a) To send missions to Member States and to the headquarters of the specialized agencies and other intergovernmental organizations, as required to promote international action against apartheid;

24. The estimated cost of renewing the foregoing authorization would amount to \$256,000 as follows:

(a) With regard to the missions to Member States and to the headquarters of the specialized agencies and other intergovernmental organizations, it is understood that six such missions are envisaged: one mission to Latin America lasting for six days, one mission to the Far East for six days, one mission to African front-line States for ten days, one mission to Eastern Europe for seven days, one mission to Western Europe for five days, one mission to the headquarters of the specialized agencies for five days. The average composition of each mission would be three delegates and two staff members, and the total estimated cost would amount to \$73,400.

One delegate and one staff member would attend these meetings for a total of 15 days. It is estimated that related expenses would amount to \$20,300.

(c) In connexion with participation in conferences concerned with the action against apartheid the Special Committee intends to be represented at the International Conference in support of the struggle of the Namibian people (Africa, five days) and in the International Conference on Assistance to Refugees (Geneva, 9 to 10 April). An amount of \$9,600 would be required to cover the related cost for travel and subsistence of delegates and Secretariat staff members. If there should be further conferences at which the Special Committee would be represented, the resulting financial impact would be reported upon to the General Assembly at its thirty-sixth session.

(d) With regard to symposia and other events to be held in the home countries of transnational corporations the Special Committee intends to organize or participate in the organization of Symposia on Transnational Corporations operating in South Africa as follows two in Western Europe, two in North America, one in Africa and one in the Far East. It is estimated that two delegates and one staff member of the Secretariat would be sent on each such mission and that the related cost would amount to \$24,500.

(h) With regard to commissioning expert studies on all aspects of apartheid and its international repercussions, it is understood that the financial implications arising from this authorization would be met from within the provision for experts and consultants already appropriated under Section 3D of the programme budget for the biennium 1980-1981.

(i) In connexion with the authorization to hold sessions away from Headquarters as necessary, it is understood that one such session is envisaged by the Special Committee in 1981 and that it will be held in conjunction with the proposed International Conference on Sanctions against South Africa. It is estimated that the session would last for two days, that 19 delegates and 20 experts would participate in the meetings and that substantive services of nine staff members would be required. Since the session is to be held in conjunction with the Conference, only provision for subsistence amounting to \$8,700 would be required. 25. Under the terms of paragraph 438 of its report (document A/35/22) the Special Committee stressed again that the services of the Centre against Apartheid in assisting the Special Committee and executing its decisions are indispensable for the discharge of its responsibilities. It recommended that the Centre be provided with all necessary resources for the discharge of its responsibilities in connexion with the recommendations in its report.
