The following communication, dated 26 November 1980, has been received by the Chairman of the Fifth Committee from the Vice-Chairman of the Second Committee, on behalf of the Chairman of the Second Committee:

As you are aware, the General Assembly, in its resolution 34/215 requested the Secretary-General to submit a report to the Assembly at its thirty-fifth session on the implementation of section VIII of the annex to General Assembly resolution 32/197 and section IV of General Assembly resolution 33/202 and specifically recommended that consideration of that report should be allocated to its Second and Fifth Committees.

I am pleased to inform you that the Second Committee has completed its consideration of the report of the Secretary-General, which is contained in document A/35/546. The text of the draft resolution approved by the Committee on the subject will be included in the Second Committee's report on the results of its consideration of agenda item 61 (j) (Development and international economic co-operation: restructuring of the economic and social sectors of the United Nations system).

I should be most grateful if, in making the necessary arrangements for the consideration of the Secretary-General's report by the Fifth Committee, you could draw the Committee's attention to the actions taken thereon by the Second Committee, as reflected in the above-mentioned report of the Committee.
