Annex

**PROPOSALS OF THE
UNITED NATIONS INDUSTRIAL DEVELOPMENT ORGANIZATION
(UNIDO)
ON THE DRAFT DECLARATION
AND DRAFT PROGRAMME OF ACTION
OF THE WORLD SUMMIT FOR SOCIAL DEVELOPMENT
(A/CONF.166/PC/L.22)**

**Submitted to the
Third Preparatory Committee of the
WORLD SUMMIT FOR SOCIAL DEVELOPMENT
New York, 16-27 January 1995**

***Circulated in the language of submission only**

It is proposed that the following amendments and additions in the Draft Declaration and Draft Programme of Action (A/CONF.166/PC/L.22) be incorporated in a revised version of the document as follows:

DRAFT DECLARATION

(i) Commitment 8 might be reworded as follows:

'We commit ourselves to help generating, increase significantly and utilize more efficiently the resources available for social development.'

DRAFT PROGRAMME OF ACTION

- | | |
|--|--|
| para. 9 | Add after reinforcing growth in "productive" employment and incomes... |
| para. 10 (d) | Add at the end "...in particular through the industrial processing of natural resources and through other manufacturing activities." |
| para. 10 (d) | Add after...commodity exports, to diversify, "modernize and industrialize the productive sector of their economies." |
| para. 11 (a) | Change as follows: Supporting economic reforms and efforts directed at export diversification and industrialization through... |
| Insert additional paragraph after para. 20 | "In countries with a large agricultural base, the effective linkage of agriculture and industry is of singular importance to poverty alleviation through increasing agricultural productivity and inducing a broader transformation of a country's economy. Both |

agro-based industries (i.e. those industries processing agricultural produce) and agro-related industries (i.e. those providing inputs, implements and machinery) offer great scope for small-scale operations and local skills development, particularly for women."

- para. 28 Add after diversification "industrial transformation" and productivity growth...
- para. 28 (b) Add after agro-processing "...and other manufacturing activities."
- para. 28 (d) Add at the end: "...in particular through the promotion of agro-related industries."
- para. 28 (d) Add after technical advice "including information on technology"..., promote cooperation
- para. 34 (b) Add after...non-formal education, "as e.g. training in the industrial context", to improve...
- para. 34 (b) Add after to develop the "technological and managerial" skills and knowledge needed to
- para 39 Add after to enhance the "technical, managerial and entrepreneurial" knowledge and skills necessary and add after adapt to changing "skill" requirements.
- para 47 (c) Add after small "...manufacturing".
- para 48 (c) Add after respond to changes in the "skill requirements, technological development, economic and industrial structure". Add after provide equitable access to "technical and managerial" training opportunities, offer incentives for enterprises to...
