ANNEX

Message dated 17 February 1979 from the Deputy Prime Minister  
and Minister for Foreign Affairs of Viet Nam addressed to the  
Secretary-General

I have the honour to inform you that on 17 February 1979 several Chinese divisions of infantry, armoured vehicles and artillery with air support launched massive attacks along the entire Vietnamese-Chinese frontier. They occupied Vietnamese frontier posts and numerous villages belonging to the districts of Trang Dinh, Loc Binh and Ha Quang in the province of Cao Bang, Muong Khoung and Bat Sat in the province of Hoang Lien Son, Phong Tho in the province of Lai Chau, and Binh Lieu in the province of Quang Ninh. It should particularly be noted that the Chinese troops have attacked the provincial capital of Lao Cai and have occupied the two urban centres of Dong Dang and Muong Khuong some 10 kilometres inside Vietnamese territory. They have committed bloody crimes against the Vietnamese people.

After concentrating a large military force, making threats of war and carrying out provocations on the Vietnamese-Chinese frontier, China is now in fact waging a war of aggression against our country.

The Vietnamese people is determined to exercise its right to strike back in defence of the independence, sovereignty and territorial integrity of its homeland. The Chinese authorities must bear full responsibility for their war of aggression.

I am addressing to you this urgent message on the extremely serious situation which has arisen and which constitutes a threat to peace and security in South-East Asia and in the world in order that you should consider the situation and take appropriate measures to end the aggression and compel the Chinese forces of aggression to withdraw from Viet Nam.

I should be grateful if you would have this message circulated as an official United Nations document.

Nguyen Duy Trinh  
Deputy Prime Minister and Minister  
for Foreign Affairs of the  
Socialist Republic of Viet Nam
